# Introduction

A R Resource (AR), a leading trading house of USA having its local office at Bangladesh dealing with the export trading of different products in the world market. Besides the above prime activities, AR is dealing with exporter, importer, manufacturer, and marketing & commission agent. AR have very good backward linkage setup with the leading manufacturers in the country from where the Company regularly exports different type of ceramic tableware.

The Company management has years of experience on trading at home and abroad based on the motto of "**honest and sincere win-win situation**". Our office located in New York, USA and our Dhaka office at Tejgoan Industrial Area. The Company has several corporate representatives in Canada and U.K.

Bangladesh ceramic tableware is rated as one of the best in the world for its high quality, fashionable and hygienic at a reasonable price tag. To ensure proper quality and goodwill, the ceramic tableware producing units use high quality raw materials. At present, Bangladesh is exporting ceramic tableware to more than 30 countries, the most important of which are the USA, the UK, Italy, Spain, France, New Zealand, the Netherlands, Australia and Sweden.

## PORCELAIN

White porcelain tableware is both decorative and functional. Creates simple and stylish way to serve any kind of cuisine. These table wares and serving pieces will be a great addition to your table. And of course they are oven, microwave, freezer and dishwasher safe.

## BONE CHINA

Created from Original Fine Bone China, exemplifying the finest traditional English forms and shapes created by artists, not technologists, with a skill that can still be admired and appreciated. Its brilliant whiteness and delicate translucency inspired new standards of artistry and craftsmanship.
